

CURRICULUM VITAE

1. **FAMILY NAME:** Djumaniyazova
2. **FIRST NAMES:** Yulduzoy Abdusharipovna
3. **DATE OF BIRTH:** March 15, 1981
4. **NATIONALITY:** Uzbek
5. **CIVIL STATUS:** Married
6. **EDUCATION:** PhD

Institution (Date):	Degree(s) or Diploma(s) obtained
Uzbekistan Soil Science Institute, 2011	Ph.D. Title of thesis: "Efficiency of nitrogen fertilizer rates under various irrigation level in winter wheat (in irrigated meadow alluvial soils of the Khorezm region)".
Tashkent Institute of Irrigation and Melioration 08/2003 – 07/2005	Master study courses in Tashkent Institute of Irrigation and Melioration on Environmental protection
Urgench State University 08/1999 – 08/2003	Bachelor courses in the Urgench State University Biology

7. **LANGUAGE SKILLS:** (1 = fluent till 5 = basic)

Language	Reading	Speaking	Writing
Uzbek (mother tongue)	1	1	1
Russian	1	1	1
English	1	1	2

8. **MEMBERSHIP OF PROFESSIONAL BODIES:** -/-

9. **OTHER SKILLS:** Full computer literacy with main PC hard- and software tools, CropSyst, Apsim modelling
10. **PRESENT POSITION:** Agronomist and Junior Modeller

12. **KEY QUALIFICATIONS:**

- 5 years of experience in teaching Urgench State University on Biology, plant physiology
- 4 years of experience in crop simulation modelling (winter wheat, maize, cotton)
- 4 years of experience in Nitrogen management tool (LCC, SPAD meter, Green Seeker)
- Familiarity with KRASS rules and procedures and proposals for projects

13. **SPECIFIC EXPERIENCE IN THE REGION:**

Country	Date from – Date to
N.a	N.a

14. PROFESSIONAL EXPERIENCE:

Date	Location	Company	Position	Description
09/2010-present	Urgench/ Uzbekistan	ICARDA	Short term expert	Short term expert on organizing and providing the field experiment (2010-2012) for ICARDA to Synthetic wheat 120 genotypes experiment in saline and non saline soils of Khorezm
11/2008-present	Urgench/ Uzbekistan	KRASS NGO	Staff	Agronomist and Junior modeller in KRASS NGO to organize and collaborate: field experiments, field days, trainings and seminars for NARS and farmers and develop crop models
08/2009 - present	Urgench/ Uzbekistan	ZEF/UNESCO	Staff	Junior modeller in ZEF/UNESCO project for developing the detailed plans for the collection of all data necessary data for the parameterisation of some crop models and for the validation of already parameterised models. To assist in supervising the design for the field experiments of the Ph.D students. Developing training and education sessions for students as to teach these to understand and work with CropSyst model.
2006 - 2009	Urgench/ Uzbekistan	ZEF/UNESCO	Researcher	PhD student in ZEF/UNESCO Khorezm project for conducting field experiments on winter wheat during the three years according to work plan. Plant and soil sampling and preparing for analyses Report the activities, experiment results publish in international and national journals and writing a dissertation
2006 - present	Urgench/ Uzbekistan	Urgench state University	Staff	Urgench state University teaching bachelor and master students, conducting scientific experiments during the study and preparing the materials for lecture and laboratory.
2005 -2006	Urgench/ Uzbekistan	ZEF/UNESCO	Researcher and assistant	Researcher and assistant of PhD student at ZEF/UNESCO Khorezm Project. Assistance to staff coordination related to the module which includes field staff, field and laboratory observations, to implementation and monitoring of the experiment of the module according to the instructions provided by the project, data collection and analyses. work with Master staff (mainly with agronomy group
04-08/2003	Urgench/ Uzbekistan	ZEF/UNESCO	Research assistant	Short term assistance to PhD student for interviews with households, spot check and social mapping, collecting of drinking water samples, laboratory analyses, proceeding and evaluation
